NCARNG Economic Impact (FY13)

Military Pay and Allowances: $167,908,966
Operations and Maintenance: $128,496,100
Total Federal Spending*: $296,405,066

*Total includes Active Guard and Reserve pay. Total does not include pay for Soldiers mobilized into full-time federal service, military education benefit spending (i.e. GI Bill), state and other spending. Economic studies indicate that federal spending has an economic impact in a state of up to double the actual federal spending amount.
